TATA MEMORIAL HOSPITAL

AA No 179015

Ref. No.: AA/179015

Date: 14-11-2006

Case No. BU/9865

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Manish Suresh Mirajkar, 35 yrs. old, is our patient of "Chronic Myeloid Leukemia" TMH Case No. BU-9865 and is under treatment at this hospital since 17-06-2004.

At present the best form of treatment for his ailment is **Allogeneic Peripheral Blood Stem Cell Transplantation** for which a HLA matched sibling donor is necessary. Fortunately his brother is an acceptable donor and he has been advised the option of allogeneic bone marrow transplantation. The approximate cost of this treatment is Rs.10 lakhs at this hospital. The cost break-up is as follows:

Chemotherapeutic agents	Rs. 4,00,000.00
Immunosuppressive agents	Rs. 2,00,000.00
Hospitalisation	Rs. 1,00,000.00
Investigations (hematological, biochemical, microbiological, radiological, others)	Rs. 1,00,000.00
Transfusion support (blood products, apheresis)	Rs. 1,00,000.00
Total Parenteral Nutrition	Rs. 35,000.00
Professional charges	Rs. 15,000.00
Hospital service charges	Rs. 50,000.00

The money must be deposited in full before transplantation can be carried out. These are estimated costs and final bill would be based on actual expenditure incurred and excess money if any would be refunded.

The hospital will furnish the details of the expenditure once the treatment is complete
